Qabas Research Initiative | قبس

CERTIFICATE OF COMPLETION

This is to certify that

Ahmed Ashraf Shaheer

has successfully completed the

META-ANALYSIS COURSE

Conducted from August 7th to August 26th, 2026.

The curriculum provided approximately 17 hours of training and assessment across four (4) lectures, graded practical assignments, and a final examination, encompassing meta-analysis effect measures — including MD, SMD, RR, OR, RD, and NNT — their selection, data pooling and forest plots in RevMan, fixed-effect and random-effects models, Change-from-Baseline bavity assessment, and sensitivity analysis.

The candidate has completed the 2 graded practical assignments and successfully passed the final examination.

Issued: 2026-11-07

Certificate No. CERT-2026-1B1098
